

Certificate

Management system as per
ISO/IEC 27001 : 2022

The Certification Body TÜV NORD CERT GmbH hereby confirms as a result of the audit, assessment and certification decision according to ISO/IEC 27006:2015/Amd.1:2020, that the organization

Information Services JSC
2, Panayot Volov Str.
1504 Sofia
Bulgaria

with the locations according to the annex

operates a management system in accordance with the requirements of ISO/IEC 27001 : 2022 and will be assessed for conformity within the 3 year term of validity of the certificate.

Scope

System integration of national IT systems and IT infrastructures. Design, development, integration, installation, implementation, maintenance and support of modern information systems, including spatial data systems and mobile platforms. Design, development, installation and maintenance of local and global networks and communications, system and network software. Building, integration and maintenance of national and regional databases and electronic registers. Provision of qualified services based on public key infrastructure (PKI). Provision of consultancy services in the field of software, hardware and information technology, including business analysis, automation, optimization, design and modeling of business processes, cybersecurity systems, strategies and policies. Training and professional qualification. Service of computer equipment. Commercial activities with software products, computer and communication equipment, peripherals and consumables. Integrated service of the state administration and corporate clients in the field of information technology, development, integration and implementation of administrative information systems, electronic administrative services and electronic mobile services for e-government. Providing information and services from own and customer databases, including spatial data systems and mobile platforms. Providing consultancy services in the field of information technologies and information security and privacy of personal information, legal advice, legal analysis and drafting legislation proposals. Management of information technology projects. Renting own movable and immovable property.

As per Statement of Applicability version 09 dated 03.02.2025

Certificate Registration No. 44 121 101474
Audit Report No. 35925 0796

Valid from 2025-08-14
Valid until 2028-08-13
Initial certification 2010
